

## **Patrick Westhoff**

**Office:** Food and Agricultural Policy Research Institute (FAPRI)  
University of Missouri, 101 South Fifth Street  
Columbia, Missouri 65201  
Phone: 573-882-4647; fax: 573-884-4688  
E-mail: WesthoffP@missouri.edu

### **Employment Highlights**

*University of Missouri-Columbia, August 1996-present.*

Program Director with the Food and Agricultural Policy Research Institute (FAPRI). Analyze agricultural and trade policies for the U.S. Congress and other decision makers and serve as member of FAPRI management team.

Research Associate Professor (as of September 2003) with the department of agricultural economics. Teach classes in agricultural policy and advise graduate students.

*U.S. Senate Committee on Agriculture, Nutrition, and Forestry, March 1992-August 1996.*

Chief Economist for the Democratic staff. Developed and analyzed agricultural policy options. Worked on several major pieces of legislation, including the 1996 farm bill.

*Iowa State University, August 1983-February 1992.*

Adjunct Assistant Professor (as of September 1990) with the Center for Agricultural and Rural Development (CARD). Served as coordinator of FAPRI analysis at CARD. Developed econometric models of agricultural markets and analyzed policy options.

*Peace Corps Volunteer, Guatemala, June 1979-July 1981.*

Worked with the National Agricultural Development Bank (BANDESA) and with a small-farmer cooperative.

### **Education**

Ph.D. in agricultural economics, Iowa State University, May 1989. Dissertation: "The Consequences for Argentina of Alternative U.S. and Argentine Trade and Agricultural Policies." Major professor: William H. Meyers.

M.A. in Latin American studies, University of Texas at Austin, August 1983.

B.A. in political science, University of Iowa, May 1979.

## Honors

Secretary of Agriculture's Honor Award, with other members of FAPRI, 2002.

Extraordinary Professor, University of Pretoria, 2002.

American Agricultural Economics Association (AAEA) Distinguished Policy Contribution Award, with other members of FAPRI, 1991.

University of Texas Fellow, 1981-83.

Phi Kappa Phi, 1982 and Phi Beta Kappa, 1979.

## Employment

University of Missouri-Columbia, August 1996-present

- Serve as a program director at the Food and Agricultural Policy Research Institute and a research associate professor (as of September 2003) in the department of agricultural economics.
- Supervise development of FAPRI baseline projections. Conduct policy analysis for the U.S. Congress. Present results to Congressional staff, farm organizations, state legislators, the press, and the public.
- Coordinate an agricultural policy project with researchers from the Republic of Ireland and Northern Ireland. Develop a model of the European Union (EU) agricultural sector. Conduct analysis of alternative EU policy scenarios. Train researchers developing satellite models linked to the FAPRI system.
- Develop linkages with researchers at the Organization for Economic Cooperation and Development, the European Commission, the Food and Agriculture Organization, and other research centers. Supervise various international projects, international model development, and international policy analysis.
- Share teaching responsibilities for a graduate level class in agricultural and trade policy (Ag. Econ. 465, winter 2000 and fall 2002), and for an undergraduate class in agricultural policy (Ag. Econ. 230, fall 2001 and 2002). Regularly guest lecture in a graduate level class in agricultural price analysis (Ag. Econ. 430) and other classes. Advise students and serve on Ph.D. and M.S. committees.
- Served as a member of the agricultural economics Graduate Studies Committee (1998-2000 and 2003-present), and as chair of the Ph.D. qualifying exam committee (2001).
- Serve as a member of the FAPRI management team, with shared responsibility for managing various grants.

U.S. Senate Committee on Agriculture, Nutrition, and Forestry, March 1992-July 1996

- Served as majority chief economist from March 1992 until the 1994 election, and as minority chief economist in 1995 and 1996.
- Advised Chairman/Ranking Member Patrick Leahy and other Democratic members of the Committee on issues related to agricultural policy and the federal budget.
- Worked on several major pieces of legislation, including:
  - 1) The Federal Agriculture Improvement and Reform Act of 1996 (the 1996 farm bill)
  - 2) The Federal Crop Insurance Reform and USDA Reorganization Act of 1994,
  - 3) The Uruguay Round Agreements Act of 1994, and
  - 4) The Omnibus Budget Reconciliation Act of 1993.
- Represented the Committee in dealings with the press, interest groups, and the public.

Iowa State University, August 1983-February 1992

- Served as a research assistant/associate while working on a Ph.D., and later as a post-doctoral research associate and adjunct assistant professor.
- Coordinated FAPRI policy analysis at Iowa State and supervised the development, maintenance, and use of FAPRI agricultural commodity and sectoral models.
- Helped service a variety of contracts for such clients as:
  - 1) U.S. Senate and House Committees on Agriculture
  - 2) Office of the U.S. Trade Representative
  - 3) Agriculture Canada
  - 4) Organization for Economic Cooperation and Development
  - 5) U.S. Agency for International Development and the Government of Tunisia
  - 6) U.S. Feed Grains Council

**Professional Service**

Referee for articles submitted to the *American Journal of Agricultural Economics*, *Canadian Journal of Agricultural Economics*, *Journal of Agricultural and Resource Economics*, *Journal of Agricultural and Applied Economics*, and *Agricultural Economics*.

Finance Committee member, American Agricultural Economics Association, fall 2002-present.

## Languages

Good ability to read and speak Spanish, limited ability to read French and German.

## Grants

Food and Agricultural Policy Research Institute. Co-project director on FY 2002 and FY 2003 CSREES grants providing core funding for FAPRI's work analyzing agricultural policy for Congress.

Memorandum of Understanding between University of Missouri-FAPRI and Teagasc. Principal investigator for joint project with Teagasc, Ireland's Agriculture and Food Development Authority, July 2000-present.

Structural Models of the U.S. and Rest of World Natural Fiber Market. University of Missouri sub-contract project director for CSREES project managed by Texas Tech University, April 2003-present.
